Best local coffee shop?

Sugar Brown's is the greatest place! It has a cool vibe, and their Skinny Vanilla Latte is the best I've ever had.

Favorite family activities?

There are more things to do with your kids than you can imagine. We like going to The National Ranching Heritage Center, especially during Candlelight at the Ranch hosted each December.

For Girls Night Out?

We go to The Funky Door Bistro & Wine Room for brunch or The Range to listen to live music and enjoy a bucket of beer.
