Favorite Lubbock wines?

We love McPherson Cellars' DBS and Llano Estacado Winery's Viviano. It's good and has won many awards.

Favorite place in town?

A great place to go is The Funky Door Bistro & Wine Room. The wine comes out of the walls, and that's not a hallucination.

Lubbock's best-kept secret?

We love to go to Moonlight Musicals. We've seen Les Misérables many times. What we saw in Lubbock was as good as anything we've seen in New York, London or anywhere else.
