PORT ROYAL
OCEAN RESORT & CONFERENCE CENTER

MEDIA KIT

Port Royal Ocean Resort is the premier resort on Mustang Island between Corpus Christi & Port Aransas, Texas.

As many of you are aware, we have been closed since Thursday, August 24th due to Hurricane Harvey and the damage it caused to our property. Our rebuilding efforts began immediately, and we are committed to making the resort better than ever.

We are planning to reopen the resort to regular guests starting June 1, 2018. During April and May, we will open for Groups because their operational needs allow us to ramp up our teams at a healthy pace. We want our service commitment to you to be as strong as our new facilities.

We understand that this is a significant inconvenience. We're committed to rebuilding Port Royal and having your family back to build memories to last a lifetime.

ABOUT OUR RESORT

Our condos are 1, 2, and 3 bedrooms with large patio balconies that face the Gulf or both the Pool and the Gulf. All condos are equipped with full kitchens, laundry facilities and free wireless internet. The condos are decorated with different characteristics; are all open floor plans with the kitchen flowing into main living space and dining area that then flows out to the spacious patio and the wonderful views of the beach in Port Aransas. Our resort is not a high rise but rather just three stories with an open vista to the Gulf.

Port Royal features a Guest Care Team of over 200 looking after the enjoyment of our guests. Restaurant 361 is open seasonally for breakfast, lunch, and dinner as well as our famous Champagne Brunch every Sunday.
